

# BILÁ SKALA

## REZIDENCE

Apartment #7 | 1+1 | Second floor

Floor area.....39,0 m<sup>2</sup>  
Total area.....39,0 m<sup>2</sup>

This plan is for illustrative purposes only. The furniture, equipment and any electrical appliances shown are not included in the purchase or the price per apartment unit. Dimensions of individual rooms listed on the floor plans are for reference only. Floor area refers to the floor area of the apartment in the unit according to § 3, Government Regulation No.366/2013 Coll., from 30 October 2013, i.e. floor area of all rooms in the apartment. This includes the floor plans of all vertical load-bearing and non-load-bearing structures inside the apartment, such as walls, columns, pillars, chimneys, installation units and similar vertical structures; wherein the floor area is bounded by the inner parts of vertical structures, including their surface treatments, and also includes the floor area covered by built-in fixtures, such as cabinets, bathtubs and other additions in the interior of the apartment.
